CIGRE UK Women in Energy (WiE)

- Established in 2016

Vision:

“Every female in energy to have an equal opportunity to make it to the top of organisations and to meet their full potential in their career”

Mission:

- 1) To create a pathway for female in energy to have a valued career within the UK Energy sector
- 2) To support female in energy in their career to thrive within their preferred environment
- 3) To actively work as an organisation to address the negative bias against female in energy, providing equal opportunity.
